

# Samala Poojitha

7/9, ramalayam street, buchipalli, 517391  
+91 9390490850 | samalapoojitha25@gmail.com

## Education

---

- **Nannapaneni venakatarao college of engineering and technology** 2023  
Btech\_(computer science and engineering)  
7.3
- **Sri venkatarreddy sidhartha junior college** 2019  
Intermediate\_(mpc)  
573
- **S. P. V. B high school** 2016  
Ssc  
6.8

## Technical Skills

---

- C - basics
- Python
- Html
- Linux
- AWS
- Devops

## Technical Certification

---

- I have completed my linux at besant technologies
- AWS
- Devops

## Internship

---

- **Cloud computing :**  
Cloud infrastructure, front end and back end

## Skills

---

- Good at telugu,english and kannada communication.
- Passionate about updating technology
- Very active to learn new things
- Anchoring
- Leadership
- Adaptability
- Interpersonal and presentation skills

## Projects

---

- **project title - interpretable machine learning in healthcare**  
**Project abstract** - Now a days more individuals are being diagnosed due to not following proper diet and exercise so we propose a system that aims at improving the health by recommending diet and exercise.
- **Project title - car traffic sign recognizer by using convolutional neural network**  
**Project abstract** - Acknowledgement of traffic signs very significantly in numerous applications for ex: driverless car/self driving vehicle so we propose a system of traffic planning,observation and recognition of traffic signs.

## Achievements & Awards

---

- Got 1st prize in speech
- Got 1st prize in running
- Got 1st prize in quiz competition

### Certification

---

- Got certification in inspire science exhibition
- Got certification in shubhapradham

### Hobbies

---

- Dancing
- Browsing net
- Public speaking
- Volunteering

### Languages

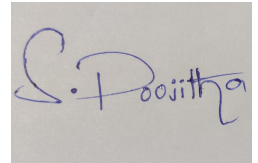

---

- Telugu
- English
- Hindi
- Kannada
- Tamil

### Personal Details

---

- Date of Birth : 25/4/2001
- Marital Status : Unmarried
- Nationality : Indian
- Sex : Female
